Safe Delivery

Our Services

Wherever you are moving, we have the comprehensive moving services you need to enjoy a simple, safe and stress-free move. Let us take care of your move.

RESIDENTIAL MOVES

State to State Moving Group is federally licensed to provide long-distance, interstate moving services to households moving cross country.

PACKAGING

We offer affordable Service Packages to provide you with flexible options for enhancing your moving experience.

COMMERCIAL MOVES

Did you receive a lump sum payment? We can customize a relocation package to fit your unique needs and budget.

STORAGE

We maintain secure storage facilities across the U.S. for long-term needs. Our warehouses are inspected regularly to ensure they meet our high standards for safety, security, and cleanliness.

FURNITURE WRAPPING

We will pad wrap and blanket wrap your furniture in our own quilted moving blankets.

**RECYCLING**

Environmental awareness is one of our core fundamental values. We provide recycling services and earth friendly packing materials for your move.

What our customers think

Testimonials

I used state to state last month. Another family member has used them several times. The movers arrived promptly and was very careful. They are also reasonably priced.
